中國書畫藝術博大精深，她開闊了我的視野，生命因而更為豐盛！

无论置身于那一国度里，借着文化交流活动，欣赏到不同族裔的文化，生活无疑是缤纷绚烂。

文化交流不是嘴边外交词令，是人类相互沟通的桥梁，是社会和谐的催化剂，我们必须以持久毅力去努力耕耘，使她茁壮成长。

The art of Chinese calligraphy and painting is profound; it has broadened my horizons and enrich my life!

No matter your nationality, cultural exchanges and appreciation of different ethnic cultures make one's life undoubtedly more rich and colorful.

Cultural exchanges are not just a slogan or a political speech; more than communication links, they create favorable conditions for harmonious relationships between societies. For this reason, we must strive to persevere in the pursuit of these enriching relationships for all.

## About Zeng Yu-Qi (Présidente du Centre culturel chinois du Canada)

Zeng Yu-Qi was born in Taishan, China. In her young age, she immigrated to USA and later moved to Montreal, Canada. She nurtured a love for Chinese culture since her teenage and also greatly care about daily needs of overseas Chinese. In her adulthood she started a catering business and a restaurant in Montreal, Chez Ping, where many successful Chinese cultural events were held. Having a lot of contacts with local Chinese, she has engaged in volunteer work for these overseas Chinese. Her natural humility is a great asset in treating people with genuine sincerity; hence, the Chinese leaders of their communities hold her in great esteem.

In 2016, she founded the Chinese Cultural Center of Canada. The aim is to promote the Chinese culture and the cultural exchanges between the East and West. Last June, 2017, she was invited by LaSalle Mayor Mrs Manon Barbe, to organize the Chinese Art Rhythm Show; a lot of support by Chinese Societies and media ensued. Two Consuls from the Consulat Général de la République Populaire de Chine à Montréal officiated the opening ceremony. It was a great local Chinese event.

Taishan is her native city. This year, 2018, out of the love for her hometown, she organized the Chinese Cultural Center Culture Delegation to Taishan featuring Ngan Siu-Mui and her disciples artworks exhibitions; these exhibitions are hosted by the Taishan Foreign Affairs and Overseas Chinese Affairs Bureau, the Taishan Municipal Bureau of Culture, Broadcasting, Television, Press and Publication, and the Taishan Museum. That event became the first cultural exchange event between Taishan City and LaSalle (Quebec, Canada) to promote communication between the two cities and cultural exchanges between China and Canada.
